
Interagency Collaboration Evaluation Examples

Title:	Arkansas Transition Summit 2008 Team Planning Tool for Student-focused Planning and Interagency Collaboration
Evaluation example:	Planning tool
Context for use:	Transition institute with school-community teams
Protocol for use:	This planning tool focuses on assisting school-community teams to review and plan their strategies for implementing transition-focused education regarding student-focused planning and interagency collaboration. It can be used annually to reflect upon effectiveness of practices, determine strengths and needs, and develop plans; as well as during the year as a formative evaluation tool.

Title:	Sample Transition Services Database
Evaluation example:	Spreadsheet for recording and analyzing data
Context for use:	Teachers and service providers use the spreadsheet for tracking students' service needs, agency referrals, and services provided; these data are helpful for determining met and unmet service needs
Protocol for use:	This tool can be used to track students' needs identified in their IEP, agency referrals, and service provision. When used to project service needs, these data are useful in strategic planning.
